

## Makers List

| No  | Item   | Description  | Maker                                |
|-----|--|--------------|--------------------------------------|
| 1.  | Steel  | 钢板           | China                                |
| 2.  | Welding material   | 焊材           | China                                |
| 3.  | Steel chequer plate  | 花钢板          | China                                |
| 4.  | Pipe   | 管材           | China                                |
| 5.  | Painting   | 油漆           | Jotun/China<br>CMP/China<br>IP/China |
| 6.  | Insulation material  | 绝缘           | China                                |
| 7.  | Electric cable   | 电缆           | China                                |
| 8.  | Cabin decoration material,<br>fire rated door, ceiling         | 舱室装饰、防火门、天花板 | China                                |
| 9.  | Air Receiver   | 空气瓶          | China/ Korea                         |
| 10. | Purifier   | 分油机          | WESTFALIA/Alfa laval                 |
| 11. | Air compressor   | 空压机          | AtlasCopco/ TANABE/                  |
| 12. | General service air compressor                                 | 杂用空压机        | Sanyang/Japan                        |
| 13. | CALORIFIER   | 热水柜          |                                      |
| 14. | Main generating set<br>uisher                                  | 主发电机组        | Caterpillar/<br>Cummins/ GPC         |
| 15. | Emergency diesel generator                                     | 应急发电机组       |                                      |
| 16. | Main crane   | 主吊机          |                                      |
| 17. | 8-Point mooring system   | 8 点系泊系统      | TITAN/West Marine                    |
| 18. | Anchor windlass  | 锚机           | Cargotech/ TITAN                     |
| 19. | Capstan  | 绞盘           |                                      |
| 20. | Tugger Winch   | 卷扬绞车         |                                      |
| 21. | Aux. deck crane  | 辅甲板吊         |                                      |
| 22. | S.W.PRESSURE SET W/ TWO PUMPS<br>F.W.PRESSURE SET W/ TWO PUMPS | 海水压力柜、淡水压力柜  |                                      |
| 23. | Life boat  | 救生艇          | Taiko/Hansun or<br>equal             |
| 24. | Fast rescue boat   | 救助艇          | ACEBI/ CHINA                         |
| 25. | FW pressure set  | 淡水压力柜        | CHINA                                |
| 26. | Freshwater maker & UV  | 造水机          |                                      |
| 27. | Sewage treatment plant   | 生活污水处理装置     | Sasakura/Hansun                      |
|     |  |              | JOWA/Lvzhou                          |
|     |  |              |                                      |

| No. | Item                         |         | Maker                      |
|-----|------------------------------|---------|----------------------------|
| 57. | Navigation & communication   | 通讯导航    | Package supplied by Furuno |
| 58. | Magnetic compass             | 磁罗经     | Raytheon/C. Plath/China    |
| 59. | General alarm                | 通用报警    | China                      |
| 60. | Anchor chain                 | 锚链      | China                      |
| 61. | Flipper delta anchor         | 三角锚     | China                      |
| 62. | Mooring wire                 | 系泊钢缆    | China                      |
| 63. | Mooring line                 | 系泊缆绳    | China                      |
| 64. | Inflatable liferaft          | 救生筏     | China                      |
| 65. | Lifebuoy                     | 救生圈     | China                      |
| 66. | Lifejacket                   | 救生衣     | China                      |
| 67. | Immersion suit               | 防寒救生服   | China                      |
| 68. | Fire axe                     | 消防斧     | China                      |
| 69. | Water fire hose              | 水龙带     | China                      |
| 70. | Pyrotechnic                  | 烟雾信号    | China                      |
| 71. | Line throwing apparatus      | 抛绳装置    | China                      |
| 72. | First aid kit                | 急救包     | OFE/China                  |
| 73. | Portable pilot ladder        | 便携式引水员梯 | China                      |
| 74. | Aluminum gangway             | 铝制舷梯    | China                      |
| 75. | Door / window / hatches      | 门、窗、小舱盖 | China                      |
| 76. | Ladders                      | 梯       | China                      |
| 77. | Cabin apparatus              | 舱室设备    | China                      |
| 78. | Cabin furniture              | 舱室家具    | China                      |
| 79. | Laundry equipment            | 洗衣设备    | METOS                      |
| 80. | Galley equipment             | 厨房设备    |                            |
| 81. | Valves/instrument/hard wares | 阀件、仪表   | China                      |
| 82. | Strainer                     | 滤器      | China                      |

Note: 1.Items not listed in the above makers list are to be supplied by the Seller in accordance to the technical Specification requirement and shall be made in China.

2. All makers abovementioned should get approval of the Buyer.
