

## FAST CREW/UTILITY VESSEL

### PARTICULARS

|                  |                                    |
|------------------|------------------------------------|
| Vessel Type      | Crew Vessel                        |
| Official Number  | 3420                               |
| Port of Registry | Dampier, Australia                 |
| Year Built       | 1989, rebuilt 2009                 |
| Classification   | Class 1B to 100NM offshore, 20 pax |

### DETAILS

|                  |   |
|------------------|---|
| Length Overall   | 20.65m  |
| Breadth          | 5.8m  |
| GRT-NRT          | 30  |
| Depth Moulded    | 1.34m   |
| Maximum draft    | 1.5m  |
| Clear deck Space | 53m <sup>2</sup>                              |
| Max Speed        | 23 kts  |
| Economical speed | 20 kts  |
| Sewage Plant     | Electro scan treatment plant and holding tank |
| Rudders          | 2 x conventional                              |

### CAPACITY

|               |                   |
|---------------|-------------------|
| Fuel Oil      | 8m <sup>3</sup>   |
| Potable Water | 5.5m <sup>3</sup> |

### MACHINERY

|              |                        |
|--------------|------------------------|
| Main Engines | 2 x V10 D2840LOE       |
| Generators   | 2 x Perkins 32kVA each |
| Propulsion   | Twin Screw             |

## CREW VESSEL

|                        |                             |
|------------------------|-----------------------------|
| <b>DECK EQUIPMENT</b>  |                             |
| <b>A-Frame</b>         |                             |
| Type                   | Fixed                       |
| Safe Working Load      | SWL 500kg                   |
| Dimensions             | 3.15m high x 4.0m wide      |
| <b>Deck Winch</b>      |                             |
| Type                   | Single drum type            |
| Pull                   | 1.5T tested                 |
| Capacity               | 75 metres of 12mm wire rope |
| <b>ACCOMMODATION</b>   |                             |
| Berths                 | 5                           |
| Total                  | 5                           |
| <b>FIRE FIGHTING</b>   |                             |
| Pumps                  | 2 x Portable                |
| <b>LIFESAVING</b>      |                             |
| Liferafts              | 2 x 16 man                  |
| Lifejackets            | 26                          |
| Lifebuoys              | 2                           |
| <b>SPECIALIST</b>      |                             |
| Rescue Zone            | Stbd side                   |
| Lashing Lugs           | 4                           |
| Bow Boarding Platform  | Fitted                      |
